NOTES FROM THE BOARD

by Lois Blackmore

NOTES FROM THE BOARD January 2018

The business of regular reports: minutes, membership, treasurer's and newsletter were presented and adopted as read. Please note that our Society continues to be well funded.

We have been discussing a Barlup garden or grove at the HCP for a number of months. At this time, we are unsure as to how this area would be maintained as maintenance is on a voluntary basis. At the moment, there are only two to three members who volunteer at the regular rhododendron garden at the HCP. After a thorough discussion, the board has decided to start with asking for a "growing on" area. This would be a small section maintained by regular members of the club and by those who belong to the propagating group. The rationale is that starting small will provide answers to the possibility of increasing our presence at the HCP over a given period of time. Other sites for a specific rhododendron garden containing a large number of Barlup hybrids will continue to be explored.

The Seedy Saturday was deemed a success, as there were hundreds of visitors to our display. Please see page 7 for further information in this newsletter.

Bill Gordon and Linda Gilmore have completed a revamp of the VicRS [Constitution and Bylaws 2018](#) (on pages 10-17 of this newsletter). This was a necessary step ordered by the Province of B. C. and **will be presented and voted upon at our Annual General Meeting in March.** For reference or comparison the existing (old) [Constitution and Bylaws 2010](#) can be found on the home page of the [VicRS website](#) in the lower left corner.

Our election for new members for the Board will be held at the Annual General Meeting during the March General Meeting. Calvin Parsons is stepping down after serving many successful years as a board member. He has contributed outstanding service to our club and has provided much needed support. We will miss his bright mind and outgoing personality and wish him well in any further ventures.

Please note we are looking for new members to serve on the board. We operate under the vision that none of us is as smart as all of us together. Please contact [Madeleine Webb](#) if you wish to help. At this time, all current members are willing to serve in the coming year.

More Barlup hybrids will soon be arriving for the Victoria Rhododendron Society. Further news will be available in the March newsletter. Special gratitude goes to Jim and Judy Barlup for these gifts.

Our April meeting will once more be a 'Circle of Learning'. Much positive feedback was received for the 2017 meeting. There is a plethora of rhododendron knowledge within our group and we wish to take advantage of such knowledge. Please get your questions ready.

In memory of Norman Todd, one of our founding members and a force behind the VicRS, we are starting a new adventure in his honor. This will take the form of a special guest lecture. Look for details in the coming weeks as this unfolds.

Editor's Notes

by Theresa & Bill McMillan

Anne Allen and husband Ian Duncan spoke to us about the wild flowers of Switzerland and Austria seen while touring by bicycle. Apparently, a number of companies offer bicycle tours in Europe and it is a wonderful experience.

The five-week tour started in Zurich, ended in Vienna, and covered about 700 kilometres with some side excursions. Travel was variably by bike, train, bus and cable car because alpine flowers were a focus. Most of the travel was on bicycle paths but some was on little used back roads, so traffic was not a major concern. Temperatures were generally moderate, about 27 degrees, and the weather toward the end of May relatively good.

Beautiful mountain scenery, a huge variety of wild flowers from various elevations and superb pictures made it a memorable evening.

During their two days in Innsbruck, they took a cable car into the alpine where they saw numerous rhododendron ferrugineum plants but were a bit early for full bloom as seen in this photo.

(Continued on page 4)

There were also lovely gentians of various kinds that they particularly enjoyed. They also went to Himmel and travelled up to high elevation reservoirs fed by tunnels through the mountains. The Swiss love to tunnel! They spent a week in one area and did a number of day trips.

They photographed hundreds of mountain flowers including anemones, meadow orchids, geraniums, primulas, lilies, geum, globularias, pedicularis, ajugas, salvias, polygonums, polygala, pulmonaria, clematis, violas, very dark colored columbines, myosotis, soldanella, potentilla, arabis and many others. It was a great experience with wonderful pictures and we thank them for sharing it with us.

Seedy Saturday

by Ian Duncan

Victoria Rhododendron Society participated in this year's Seedy Saturday event at HCP on Saturday, January 13th. The event is the first 'seedy' day of the year so was attended by hundreds of 'eager-to-get-planting' gardeners. The display was set up on Friday by Ian Duncan with plants from Madeleine and Ken Webb. Volunteers working the table were Ron and Shirley O'Brien, Lynne Ferrie, Carol Dancer and Ian Duncan. We talked to many folk about the club, their rhodo problems and our spring sale during the 4-hour event.

Several people expressed interest in attending our meetings, particularly those with queries about their own rhodos. We sold 3 boxes of plant tags, 3 kneeling pads, 1 Norm Todd Book, 3 hybrid rhodos and 6 species rhodos. Twelve people put their name and e-mail on a list to be notified of our spring rhodo sale. All in all a 4-hour day well spent, considering it was an event for seed sales and we had plants.
